**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I've been with Sonic.net for numerous years due to their superior customer service. I know I would not receive the same level of service from a large telecommunication company.

I have recommended Sonic to numerous friends who also utilize their service and are happy.

In addition, please do not increase the price for Internet and telephone service.

Thank you for your time.
